

Re: Preface to book:

VI. to note from start that from the very 1st ch. on Two Turning Points, we get bot/only Ref/Reb and an actual rev., but the WQ 1st as it relates to RL personal not given full freedom as editor, then as having to endure Plekhanov's "sublety" about Madonnah, 1907, and in the same year at Stuttgart preceding that famous congress, RL introducing VIL to CZ & VIL depending a good deal on Gleichheit - p. 6 *loR*

As for Ch. 2 on Hushed UP WQ on 19100

It wasn't near tone-deaf ess on philosophy, *St n* but turning the other cheek on male chauvinish.

Remember also Karen Honeycutt — Sheila Rowbotham — In the one case feminist specializing on RL and the Marxist on Revolution and yet each thinks it is the *Particular*

that is the universal.

This author believes that it is what helped to fling her into economism.???

RI on Stagnation, p. 10 — dealt with elsewhere, i.e. old Ch. 3 & cut for 4

IT REMAINS TO BE DONE... must include both women in Portugal

do Carno
Barreno's New Portuguese Letters

Iran: both march & yet those who went back to chador
& Neda who came to Marxism
