To the Leninist Trotskyist Faction Coordinators

Dear Comrades,

Comrades know from reports at the last plenum and previously that we have launched a political campaign for dissolution of the faction structures inside the international. While we work towards this goal, the LTF still exists and still has financial needs.

Travel by LTF leaders in the SWP to exchange information and opinions with other LTF members from around the world, will continue. The mailings put out for the information of faction members is a considerable cost to the faction.

Every LTF member should pledge a regular financial contribution to the faction. In each branch, a faction coordinator and treasurer should be elected by the faction members. The coordinator or treasurer should be responsible for seeing to it that contributions are collected regularly. Checks should be made out to John Benson and sent to the LTF at 14 Charles Lane, New York, N.Y. 10014.

Attached is a performance sheet from the branches since the January, 1977 plenum.

Comradely,

Natalie Bombaro
